Hi Jenny – No, I have not sent any documents lately to OGC. I can send your October 14 document. FYI -- considering the heavy workload of OGC, asking for OGC's comments by Monday may not be doable.

**Subject:** Pls RW by October 20 noon: OR CZARA Pesticide Rationale and Response to Comments

Hi Everyone, we're getting close to the home stretch. I'm looking to get comments from the team by Monday, October 20 at noon on the Oregon CZARA Pesticide Rationale and Response to Comments. This is what will be in the Federal Register and released to the public. I'll be compiling comments, then they'll be added to the whole CZARA package for the managers and legal team to review. Linda, I assume OGC from the pesticides program will be looking at this. FYI, OGC can also review this after October 20 with the rest of the legal team if he/she isn't free to review it by October 20.

You've all commented on past drafts of the Rationale and Response to Comments. There are some changes to the rationale, but not a huge difference from previous versions. I've either added your comments and/or responded to them in the comment field. I haven't reviewed the Response to Comments yet, but if you remember, we all worked on many of these, so I expect there not to be huge changes (I hope).

Thanks again, and let me know if you have questions. Looking forward to seeing your comments! - Jenny
